PERANCEA

Economy Die Cast Boxes

Perancea offers a wide range of economy die cast boxes including direct or close equivalents to most of the sizes and styles available from the major distributors and manufacturers in new as well as replacement applications, with the added advantage of full in-house customisation.

The Perancea economy die cast box range includes:

- Screw lidded boxes with and without integral PCB guides
- Flanged lid boxes
- Flanged base boxes
- Screw lidded boxes with seals or gaskets to prevent the ingress of dust and/or water
- Painted & unpainted options

Many Perancea customers require modifications as a matter of course to effectively utilise our standard enclosures to suit their specific custom applications. We provide a comprehensive, in-house, bespoke customising service for small and large volume requirements.

Perancea's extensive capabilities include Machining, Drilling, Punching, Tapping, Engraving, Painting, Plating, Screen Printing, Accessory Fitting, Customised Chassis & Mounting Plates, Internal & External Bracketry, Fine Tolerance Custom Sheet Metalwork & Fine Tolerance Plastic Fabrication

If you need a cost effective single source solution whilst maintaining quality and supply using economy die cast boxes, call us now and see how we can help you.
